

ARE YOU A SMALL BUSINESS OWNER IN WESTCHESTER COUNTY?

ARE YOU SELF-EMPLOYED?

FIND OUT MORE ABOUT HOW THE NEW YORK HEALTH BENEFIT EXCHANGE AFFECTS YOU.

Small business owners across New York will be enrolling in the New York Health Benefit Exchange starting October 1.

To help navigate these changes, the **Business Council of Westchester**, in partnership with the **Westchester Library System**, is offering a series of presentations that bring experts to local businesses for a detailed and customized explanation of what can be expected under the Affordable Care Act and what steps can be taken to strengthen business objectives.

Trying to determine how many people you can hire in the coming year while covering health insurance benefits? Want to know more about tax credits for which you may be eligible? Come to any of these free sessions and get the information you need.

Presentations given by Glen Ganaway, Outreach Manager for the Business Council of Westchester and former financial manager for a physicians group.
